Master Addendum to Software Terms of Use/Service
Waukegan Community School District ("the district") & Read Naturally ("the vendor")

The vendor's Terms of Service/Use are modified as set forth herein, and such modifications shall apply to all purchases of the vendor's software made by the district from November 3, 2020.

1. **Governing law, exclusive jurisdiction.** The parties agree that this Purchase Agreement and the district's access to the vendor's software, materials, or products hereunder shall be governed by the laws of the State of Illinois, without regard to conflict of law principles. The parties further agree that any action at law or in equity arising out of or relating to this Agreement and the district's access to vendor's software, materials, or products hereunder shall be subject to the exclusive jurisdiction of the state or federal courts of Lake County, Illinois, and the vendor irrevocably consents and submits to the exclusive personal jurisdiction of such courts.
2. **Vendor's cybersecurity practices, disclaimers.** This Purchase Agreement, and the provisions in the vendor's Terms of Use/Service under which the vendor disclaims warranties, disclaims liability to the district, and imposes a limit on the amount of money by which it will be liable to the district, shall not be effective unless, prior to the proposed effective date of this Agreement (a) the vendor provided to the district (i) a written statement that identifies the information that is to be collected or absorbed by the vendor; and (ii) a written commitment or statement that details the vendor's technological practices and standards regarding cybersecurity; and (b) the vendor obtains cybersecurity insurance that identifies the district as a covered party (and provides the district with proof of so doing by way of a Certificate of Insurance), and maintains such insurance through the course of this Agreement, as specified in the attached Certificate of Insurance.
